

SOCAN Monthly Meeting

Director: Jared P. Scott | | Writer: Jared P. Scott

Stars: Madeleine Albright, Michael Breen, Sharon Burke

‘The Hurt Locker’ meets ‘An Inconvenient Truth’, THE AGE OF CONSEQUENCES is the investigation of climate change impacts on increased resource scarcity, migration, and conflict through the lens of US national security and global stability.

The film’s unnerving assessment is by no means reason for fatalism – but instead a call to action to rethink how we use and produce energy.
