

SOCAN's Master Climate Protector incorporates both a training component and a service component. It is designed for individuals who want to know more about Climate Change and what we can do to address this critical problem.

Individuals who complete the 10-week course become Charter Master Climate Protectors. Following the course, participants who complete 20 hours or more of service receive a certificate reflecting their accomplishments.

Sign-up now to reserve a place in the September 2017 10-week session

\$100 (Scholarships available upon request)
