A word of caution: Sometimes GPS can't be trusted. DO NOT FOLLOW it if you are directed to Anderson Butte Road. This leads to a BLM road with 2 locked gates and no phone reception. Others get you close on Griffin Lane and then you can arrive if you follow the addresses.

Best Directions to follow: These directions start on Hwy 99 at South Stage Road (South Medford).

1. Take **South Stage Rd** (actually called Stage Rd. S.) **west from 99** to Jacksonville,
2. Where **Stage Road South ends at stop sign**, (Chevron Station on right) **turn left onto Griffin Creek Rd.** (A right takes you to Jacksonville.)
3. Pass Griffin Creek Elementary School almost immediately on right – **continue straight**
4. Pass Pioneer Rd (left) then West Griffin Creek Rd (right) - **continue straight**
5. Wriggle with the road. When Griffin Creek Rd turns sharp left continue straight onto Griffin Lane. (You may not notice the name change – it seems like you are going **straight on the same road.**)
6. Pass up through an unincorporated community and up - onto gravel road - climb and wriggle more - **continue straight**
7. Encounter and negotiate switchbacks
8. Reach ridge top and continue down (you are now in the Applegate Valley and without cell phone reception.
9. In approximately half a mile see green mile marker 3 on right, row of mail boxes on left, House number 7120 on right.
10. **Turn left onto paved** (non-county) **road.** Fire marshal numbers are on corner including 7113
11. We are **fourth lot on left** with 7113 number on short post and Jeff Golden sign.
12. **Left turn** up the driveway. You made it!!!
