

Chat comments To Everyone: Alan Journet's talk for Coastal SOCAN 8-18-21

Bill Gorham: If you have questions, let me know in the chat and when Alan hits one of his stopping points, I'll call on you to unmute yourself and turn on your video so you can ask your question.

Ed Patterson: The fee is 15 per what?

Bill Gorham: I believe it's per ton of emissions

Linda Bozack: Rep. Peter DeFazio will be holding a telephone town hall tomorrow at 3PM. Any suggestions for a good, targeted question to ask him during his town hall?

Ed Patterson: I am Debbie Downer and I feel that we don't have the political will to do anything near what is needed to happen since we get distracted by wars and virus. How can we plan for a different planet?

Bill Gorham: You can pose that to Alan after this next session.

Michell Hanna: can we have a copy of Alan's slide show? And do we know when Brock Smith is up for reelection? We need to campaign to get him out of office asap

Bill Gorham: I'll be posting the recording so you can go back and review the slides and his talk at your leisure

Bill Gorham: If you didn't get the invitation to tonight's talk directly from me, please email me so I can add you to the list when I circulate the instructions to access Alan's talk. My email is bill@socan.eco

From Bill Malloch: Alan - how does the state's Community Solar Program fit into solutions to get to 100% renewable? Does it make a difference?

Susan Calla: Can Alan give us a link to Jennifer's talk from Yale? [The information is in the recorded presentation available on the SOCAN website.]

Linda Bozack: Any problem with sharing tonight's recording on Facebook, Instagram, and other social media? [Answered by Alan: No problem, it's going to be on the SOCAN website in any case]

Colleen: Can you share specifically what DBS did not agree with on the individual bills that he voted against? Example: I was under the impression that he was against the clean energy because of the energy available from other states that was not clean; and if that was addressed, then what else was his issue? [Alan answered that he didn't have the information on Rep Brock Smith's reasons for his votes.]

Linda Bozack: Thank you, Alan. This was very informative!

Bill Malloch: yes very well done Alan!!

Colleen: Thank you Alan, especially for your positive outlook.

Vicky: Thank you Allen. Enjoyed all your information.

Dolores Scheelen: Thanks so much, Alan.

David Morse: Thanks Alan and Bill, Great presentation.

Ed Patterson: We need to talk about zero population growth
