

What's a cherished memory of being in nature?

What gives you hope?

What's one goal you can set? What's the first step?

What support would you like (from allies)?

**What are you
passionate about?**

**What's the most radical
climate change action you can
fantasize yourself doing??**

**What's good about
your work?**

**What's hard about
your work?**
